Call for Joint Training Proposals reminder

BONUS EEIG Secretariat reminds that the deadline for submission of the Joint Training Proposals is April 24, 2009. Each BONUS + project consortium is eligible to submit a proposal, five of which will be selected for funding. This is the only BONUS+ Call for Joint Training Proposals. Full call announcement is published in www.bonusportal.org/files/198/2009_01_21_1st_Training_call.pdf. Joint Training Proposals must be sent as PDF files to bonus@bonuseeig.fi with a message subject "BONUS TRAINING CALL" **before 17:00 CET on April 24, 2009**.

BONUS Cruise calendar updated

Recently the BONUS Cruise Calendar has received a massive update by a submission from BALTIC GAS. So far, the Cruise Calendar features field activities organized by projects INFLOW, AMBER, Baltic-C, HYPER, and BALTIC GAS. Coordinators are warmly invited to send in new information to tiina.tembe@bonuseeig.fi.

ICES Science Committee invites BONUS+ representatives to a meeting

Following the initiative expressed during the BONUS Think-tank session, 15 January 2009, Chair of the ICES Science Committee **Dr. Serge Labonté** has invited representatives of the BONUS+ projects for a strategy meeting with ICES Science Committee delegates to discuss the future of Baltic science. The meeting will be arranged during the days of ICES Annual Science Conference in Berlin, 21-25 September 2009.

best regards,
