

You are reading the BONUS Bulletin 3/2009. The bulletin is published bi-weekly, informing about important news and activities in the BONUS community. If you wish to unsubscribe, please send an e-mail to [tiina.tembe@bonuseeig.fi](mailto:tiina.tembe@bonuseeig.fi).

### **BONUS organises a workshop on the Mechanisms of Marine Environment Protection & Good Scientific Practice**

BONUS EEIG organises a workshop for Young Scientists on the Mechanisms of Marine Environment Protection and Good Scientific Practice. The workshop is held in connection to the Baltic Sea Science Congress in Tallinn, on 20-21 August 2009. The registration will be opened soon and the programme is available at [www.bonusportal.org/events](http://www.bonusportal.org/events). Read more about the Baltic Sea Science Congress at [www.bssc2009.org](http://www.bssc2009.org).

### **BONUS Article in Baltic Rim Economies**

European Commissioner for Science and Research Janez Potocnik has written an article on BONUS to the Baltic Rim Economies.
