BALTEX Secretariat has recently distributed the first announcement of 6th Study Conference on BALTEX. The conference will take place on the Island of Wolin, Poland, 14-18 June 2010. BONUS participates in organizing of the conference. Find more information and the first announcement at www.baltex-research.eu/wolin2010/index.html.

The Ocean of Tomorrow Call infoday

European Strategy for Marine and Maritime Research suggested, among other actions, to launch joint calls under FP7 in on major research topics requiring a cross-thematic approach. The Ocean of Tomorrow call, which was launched on 30th of July 2009, is a first Commission's initiative to implement this commitment. On 16th September Commission arranges an info-day on this call in Brussels. Find information flyer in www.bonusportal.org/news.

Ideas for simplifying the implementation of the EU RTD Framework Programmes

In 2010, the European Commission intends to publish a Communication on possibilities for simplifying the implementation of the EU RTD Framework Programme(s). With this regard, a broad scale of gathering ideas and suggestions is open until 15th September. BONUS Secretariat invites members of the BONUS network to participate actively in this campaign. The online questionnaire is accessible through: <http://ec.europa.eu/yourvoice/ipm/forms/dispatch?form=SimpleIdeas>.

best regards,

BONUS EEIG Secretariat
